

NEW TEACHER NETWORK

CKEC CRRSA Virtual Learning Series

A supportive network for early career educators to develop their pedagogical knowledge and skills.

Instructional Strategies to Engage Learners

October 7, 4-5 PM

Are you looking to kick your instruction up a notch? Need ideas for delivering new content? You will walk away with skills and resources to implement in your classroom to benefit students' learning.

The Foundations of Classroom Management

November 11, 4-5 PM

Are you feeling frustrated managing difficult behaviors in your classroom? In this session, you will walk away with strategies and skills that will help you manage student behavior.

Intentional Formative Assessment

December 9, 4-5 PM

Exitslips, quizzes, and papers- oh my! Assessing student learning may feel overwhelming. Learn how to design and use formative assessments throughout your lessons to measure and drive student learning.

Scan the QR code or go to ckec.org/registration to register for each session.
